

Assignment 10: Still Life of your life
Due: Apr 10th 2024

*To consult the rules of composition before making a picture
is a little like consulting the law of gravitation before going for a walk.” Edward Weston*

This assignment is unique to each person. You are to create a still life that tells the story of your life. Think about the milestones in your life, family, accomplishments, hobbies or any other interesting items that help tell the viewer something about you. The items you use need to belong to you or your family not a bunch of cameras you borrowed to show you're a photographer.
