Assignment: Final Project | Print & PDF Booklet
Due: May 28th before end of class
Format: Color, B&W or Both

"Dreams are illustrations from the book
your soul is writing about you" - **Marsha Norman**

Your final project is to create a printed & PDF booklet. The booklet is 8.5x11 inch horizontal format with no bleeds. The PDF can be built in Photoshop, Indesign or any program of your choice as long as you can produce the final PDF file. Save or export the PDF file High Quality Print with single pages. This assignment is worth 100 points or **about 40% of your grade.**

Front cover to include:
>Title: Portraits & Still life's
>Name
> Two images from inside the booklet, one portrait and one still-life
>Sample cover below

Inside to include:
>20 image pages | more than 20 image pages okay
> One image per page-all new images
>50% of portraits & still-life's need be done in studio
>One portrait needs to be created in photoshop (*all components can be taken before start of this class*)
>One single product item with a gradient background black to white

Information page in the back with:
>Introduction about you & contact information
>Portrait optional
>Total prints 22

Grading will be base on the quality of images, booklet design & originality
Late projects will receive 60 points maximum out of 100 points
