Assignment: 10

Subject: Still-life | Sunflowers & Fruit

Due: Apr 10th 2025

*"Eating is so intimate. It's very sensual. When you invite someone to sit at your table
and you want to cook for them, you're inviting a person into your life"*

Maya Angelou

This assignment is to create a color still-life with sunflowers & fruit. Add any props to help make the still-life interesting (no fake food or flowers). Lighting is just as important as your subjects, visual design and composition. Keeping all this in mind create an interesting dramatic still-life image with all objects in your image in sharp focus.

This is a print assignment; the image for this assignment is 16"x21" on 18"x24" paper.

It can be either horizontal or vertical format.
