Assignment 7: C-41 Film Processing

Due:

Images to turn in: Scan 6 Negatives 1 8x10 print

"If your pictures aren't good enough, you aren't close enough" **Robert Capa**

Expose a roll of color negative film, process C-41, make sure it is C-41 process.

You are free to photograph subjects of your choice. Be sure to set the correct ISO for the film you purchase. C-41 film has film speed of 100, 200 & 400 ISO the choice is up to you.

Have fun with this assignment. Shoot images that have lots of color. I would suggest shooting outside as opposed to indoors.

Process the roll of film, scan 6 of the negatives you like best make a pdf contact sheet and print the negative you like best

Turn in the digital contact sheet
1 8x10 inkjet print

Sent your images to via wetransfer use photos@iearts.org for the email address
